Message From the Chair of Barrie Police Services Board

As Chair of the Barrie Police Services Board, it is my privilege, along with that of my Board colleagues, to serve the citizens of Barrie by providing for community oversight of the Barrie Police Service. It is our responsibility to ensure that the citizens of Barrie are provided with the most efficient and effective policing service possible at a competitive cost. I can assure our taxpayers that on any measure that one might wish to consider, the Barrie Police Service compares very favourably with any police service in Ontario. This state of affairs does not "just happen". It is due in large part to the work ethic and dedication to duty that the men and women of the Barrie Police Service, both uniform and civilian, bring to their workplace every day and every night. The biggest challenges that continue to face the Board are those of continuing growth and the accelerating rate of change. To help us meet these challenges we welcome new board member, Mr. Stan CHOPTIANY and new board secretary, Ms. Sherry TAYLOR who replace Mr. Mark SCHARF and Ms. Sandy MARTIN respectively. I am confident that this Board, in cooperation with the leadership of the Barrie Police Service and the continuing support of the citizens we serve, will meet the challenges we face.

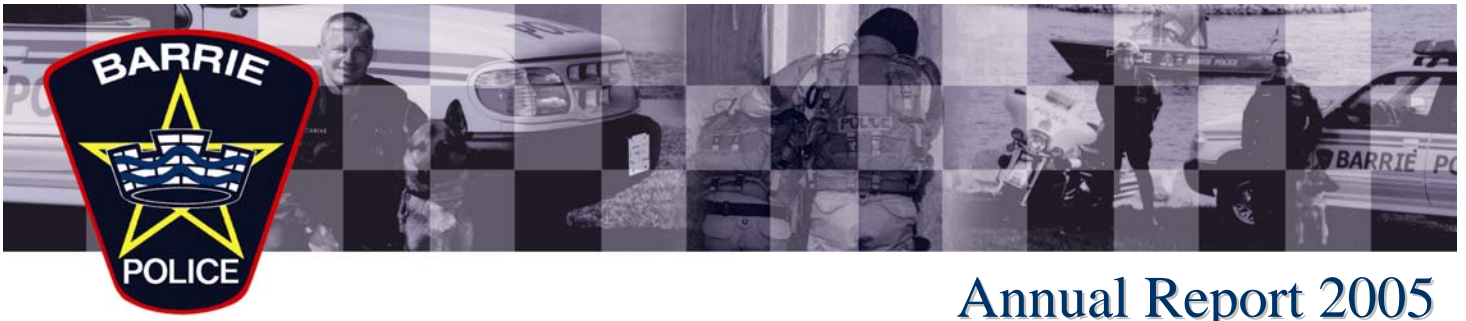

David Blenkarn

Message From the Chief of Police

The challenges faced by the Barrie Police Service in 2005 were both numerous and diverse. One constant in this demanding and ever changing environment that we inhabit has been the professionalism, sense of duty and general imperturbability of the men and women of the Barrie Police Service. Everything from policing the Live 8 Concert on very short notice to dealing with any one of the 49,000 other calls for service was met with the calm, dispassionate professionalism that has become the hallmark of the Barrie Police Service. In keeping with the ongoing commitment of the men and women of the Barrie Police Service to their community, the Barrie Police Service supported and had a presence at virtually every community event in Barrie during 2005. In addition to providing the necessary policing at these functions our people participate on their own time in a significant number of community and charitable events. I am privileged to lead them and honoured to present to you a report outlining their achievements for 2005.

Wayne Frechette
