Message from The Chair

On behalf of the Barrie Police Services Board, I invite you to review the 2017 Barrie Police Service Annual Report. Mr. James Dickie served as Chair for the Barrie Police Services Board from 2015 - 2017 and I was elected Chair on January 18, 2018. The Board is also comprised of Provincial Appointee Ms. Linda Collins, Chair Council Appointee - His Worship Mayor Jeff Lehman and Municipal City Councillor Mr. Doug Shipley.

The Board would also like to extend a heartfelt farewell to Deputy Chief Bruce Carlson who retired after 34 years of policing serving the citizens of Barrie. On May 8, 2017 the Board welcomed Mr. Ken Weatherill into the role of Deputy Chief who served 31 years with the Hamilton Police Service and we look forward to the role he will play in support of Chief Greenwood.

The 2017 Annual Report highlights the performance of the Barrie Police Service as well as reflecting on the Barrie Police Service 2017-2019 Strategic Business Plan as we continue ***to Ensure Public Safety and Security, Enhance Community Mobilization and Engagement, Develop and Engage our People, Promote Organization Sustainability and Deliver Quality Service.***

Looking back at 2017 the Barrie Police Service has much to showcase. The ground breaking ceremony of the Barrie Simcoe Emergency Service Campus was held on November 1, 2017 and we are excited to watch the project quickly develop. While we continue to recognize the value of our involvement in Collaborate Barrie and the Junior Constable Mentorship Camp, we welcome new initiatives that demonstrate our focus on and dedication to the citizens of Barrie. A state of the art crime lab, Report a Bully Program and our involvement and support of the opening of the Barrie Child Advocacy Center are just a few of these accomplishments.

We share this information with you and the public we serve to ensure we provide insight into our community and the issues affecting public safety in the City of Barrie. Public safety is a shared police and community responsibility and it is important that we continually work together to identify issues and find solutions to ensure that we maintain a high quality of life within one of the safest communities in Canada.

I would like to thank the Chief, Deputy Chief, and our Sworn and Civilian Members who continue to serve the City of Barrie with dedication, professionalism, respect and integrity, reflecting that Barrie Police is truly ***“Committed to our community”***.

Respectfully,

A handwritten signature in black ink that reads "Andrea Lockridge". The signature is fluid and cursive.

*Andrea Lockridge,
Chair
Barrie Police Services Board*

Message from The Chief

I am pleased to present the Barrie Police Service's 2017 Annual Report. The report highlights many of the successful initiatives, programs, investigations and partnerships that the Barrie Police Service has accomplished over the past year and how we continue to collaborate together with our community partners. The dedication and professionalism of our Members, both Sworn and Civilian contributes to the City of Barrie as one of the safest communities in Canada.

It was a notable year for the Barrie Police Service. I would like to say farewell to Deputy Chief Bruce Carlson who retired after 34 years of policing with the Barrie Police Service and his exemplary devotion to the City of Barrie. On May 8, 2017, the Barrie Police Service welcomed our new Deputy Chief Ken Weatherill. With 31 years of policing experience with the Hamilton Police Service, Deputy Weatherill brings a variety of knowledge and awareness to the Barrie Police Service.

On November 1, 2017, the official ground breaking ceremonies occurred for the Barrie Simcoe Emergency Services Campus. This project is a partnership between the City of Barrie and the County of Simcoe. Once complete, this modern, state of the art facility will house the Barrie Police Service, Simcoe County Paramedic Services and the Barrie Fire and Emergency Services.

The Barrie Police Service ensured skillful delivery of services and programs focusing on integrity and trust with the community.

Our Strategic Plan re-affirms our ongoing commitment to ensure public safety as our highest priority as well as focusing on employee wellness, organizational development and fiscal responsibility.

I would like to express my appreciation to the members of the Barrie Police Services Board for their ongoing support and contributions to the Barrie Police Service and the Barrie community. I would also like to thank the Barrie Police Service Association for their cooperation and dedication to the Members of the Barrie Police Service.

I am extremely proud of our Members for their efforts and commitment to serve our community to the highest standard.

Respectfully,

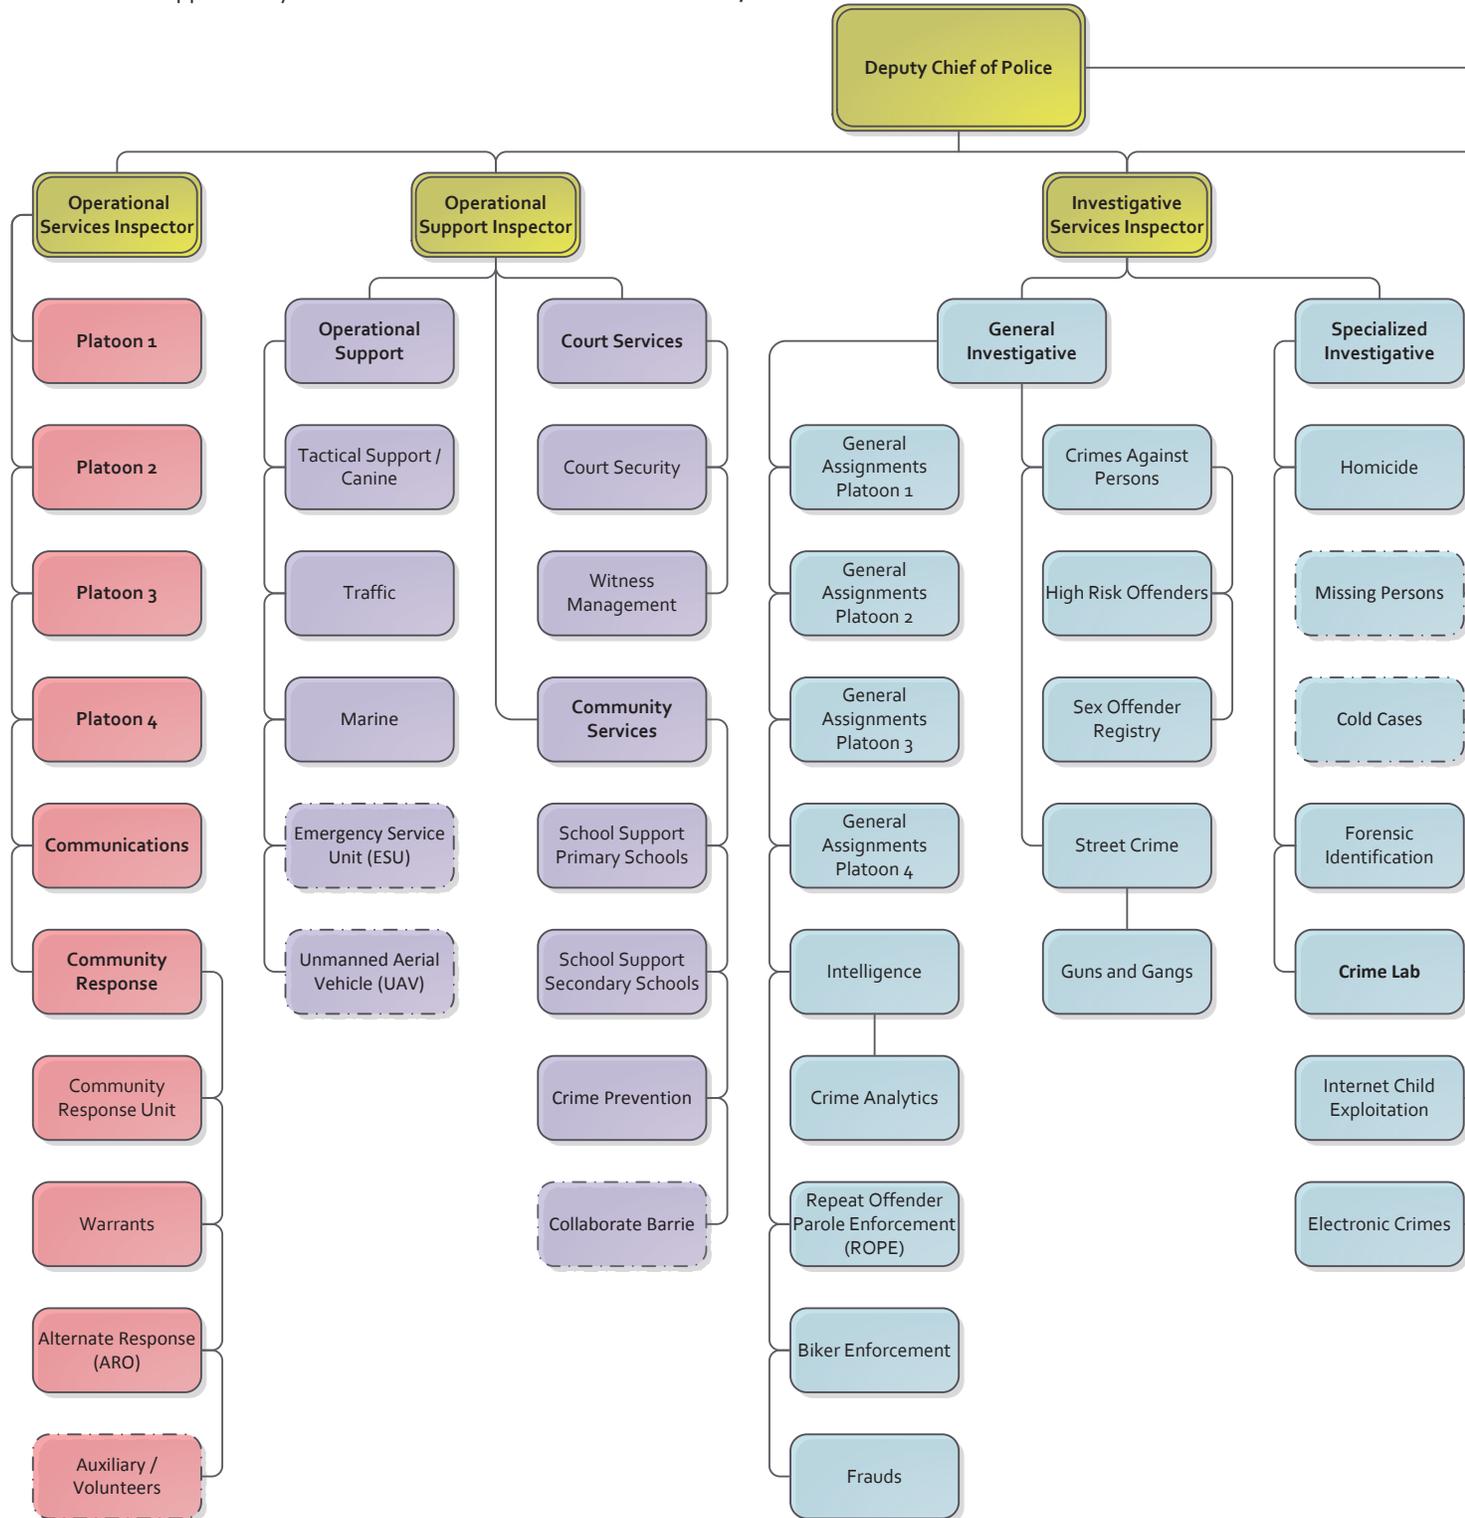

*Kimberley Greenwood,
Chief of Police*

ORGANIZATIONAL CHART

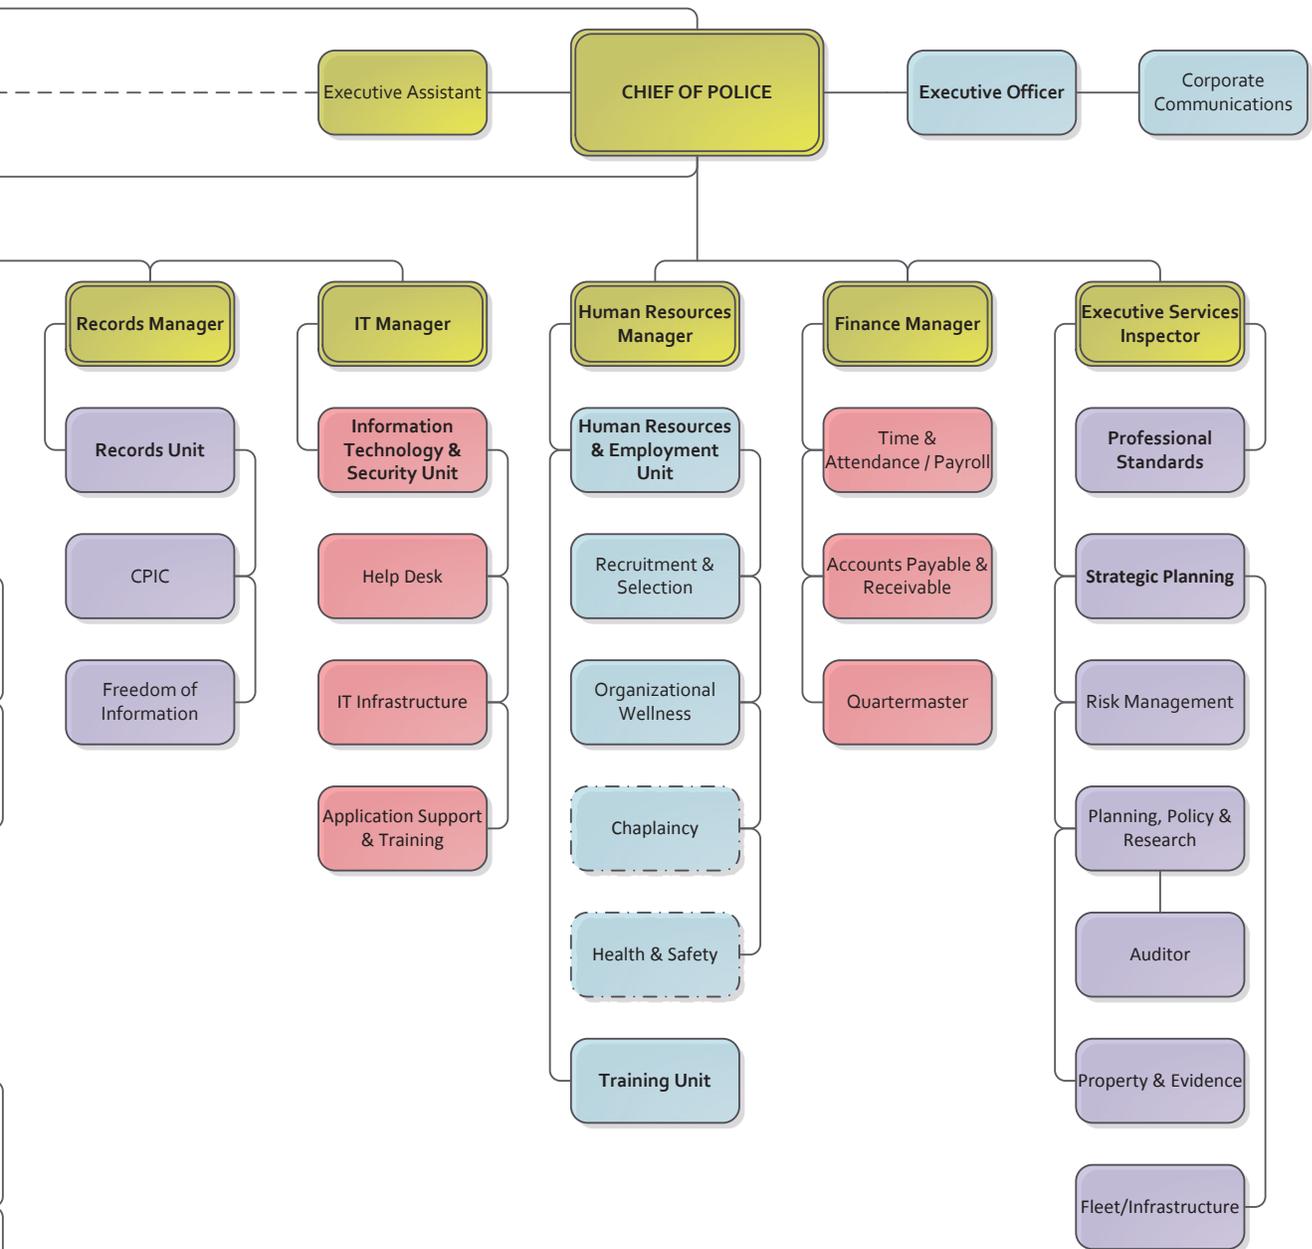

Effective January 1, 2017

Approved by the Barrie Police Services Board October 20, 2016

BARRIE POLICE SERVICES BOARD

Denotes Senior Management Team

BARRIE POLICE SERVICE

committed to our community

STRATEGIC BUSINESS PLAN

1 | Ensure Public Safety and Security

2 | Enhance Community Mobilization and Engagement

3 | Develop and Engage Our People

4 | Promote Organizational Sustainability

5 | Deliver Quality Service

ACHIEVEMENT HIGHLIGHTS:

PROJECT LIFESAVER

Participate in ‘Project Lifesaver’ with the Barrie Chamber of Commerce raising funds to purchase receivers and transmitter bracelets that will be used to track and locate vulnerable persons

REPORT A BULLY

Safe and Confidential Online Bully Reporting System launched. The system received 12 separate reports of bully related incidents from Oct 6th – Dec 31st, 2017.

COLLABORATE BARRIE

Collaborate Barrie accepted 112 referrals with a total of 806 risk factors reported. Overall risk was lowered for the family or individual in 84 of the 112 cases.

BARRIE SIMCOE EMERGENCY SERVICES CAMPUS

Moving forward into construction phase of a first responders campus. Expected possession date of Spring 2020

OPENING OF THE CHILD ADVOCACY CENTER

In September - 100 interviews conducted between September and December 2017

SAFE SPACES FOR LGBTQ2S

Implement ‘Safe Spaces’ program. Promoting an inclusive environment for the LGBTQ2S communities

Barrie Simcoe

EMERGENCY SERVICES CAMPUS

During the first several months of 2017, the Barrie Police Service in collaboration with the Barrie Fire Emergency Services and the County of Simcoe Paramedic Services, helped create a Validation Study for the Barrie Simcoe Emergency Services Campus.

The team utilized a delivery approach called Integrated Project Delivery, which integrates all stakeholders and a team of construction professionals throughout the various phases of planning, design and construction.

On July 24, 2017, Barrie City Council approved a motion to proceed with the Barrie Simcoe Emergency Services Campus in a phased approach, building the main headquarters and maintenance bays and deferring the training building to a future date.

Since receiving approval, the Team continues to meet and have used the principles of LEAN Construction to maximize value and reduce waste. The campus, which is located at 110 Fairview Road, will accommodate the Barrie Fire

and Emergency Services Communication Centre, a logistics hub for the County of Simcoe Paramedic Services and the Barrie Police Services Headquarters.

The realization of a new centralized police facility will create efficiencies, which will ensure the Barrie Police Service can accomplish our core functions in carrying out our mission to provide professional, accountable and sustainable police services.

The campus approach also allows all three services to work in unison to provide programming and services to our community with efficiency while being economically responsible.

The Barrie Police Service helped contribute to the design and development of the campus and on November 1, 2017, a ground breaking ceremony was held.

Construction on the site began in late 2017 and it is anticipated that the building will be operational in the spring of 2020.

OPIOID CRISIS

59 submissions
suspected to be Fentanyl

41 samples sent to
Health Canada for analysis:

- 2% contained heroin/fentanyl
- 2% contained phenacetin
- 5% contained heroin/carfentanil/cocaine
- 7% contained carfentanil
- 10% contained fentanyl and carfentanil
- 14% contained cocaine
- 14% unable to identify a substance within the meaning of the CDSA
- 19% contained fentanyl

The law enforcement community is no stranger to the opioid problem as heroin, OxyContin, and other opioid based drugs have been around for decades. The appetite for pharmaceuticals in Canada has grown exponentially, with Canada ranking as the second largest per capita consumer of pharmaceutical opioids (United States ranking first).

Simcoe Muskoka and in particular Barrie, have a high rate of Opioid related overdoses and overdose deaths as compared to other parts of the Province. As a result, the Barrie Police Service has been an active member in both the Barrie Drug Awareness Partnership (BDAP) and the Simcoe Muskoka Opioid Strategy (SMOS) in an effort to continue community collaboration to address the Opioid Crisis. We also sit as an advisor on the Simcoe Muskoka District Health Unit – Harm Reduction Advisory.

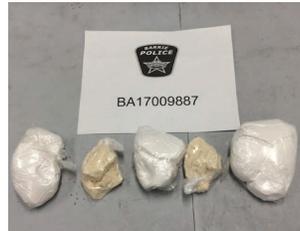

First Responder Training

In 2017 our Frontline Officers were issued and trained in the use of tourniquets, pressure bandages, hemostatic agents and the lifesaving Naloxone nasal spray.

New Deputy Chief welcomed (back) to Barrie

Barrie's new Deputy Police Chief Ken Weatherill was sworn in during a ceremony in front of his family, policing colleagues, Police Services Board officials and Mayor Jeff Lehman.

Deputy Weatherill took the oath of office and received his badge from Chief Kimberley Greenwood.

"On behalf of the Barrie Police Service and the citizens of Barrie we not only congratulate you but we actually welcome you home after 30 years," Chief Greenwood said.

Deputy Weatherill was born and raised in Barrie but spent the past three decades with the Hamilton Police Service.

He left that service as a Deputy Chief, has an honours degree from McMaster University and served in wide range of positions with Hamilton Police including the tactical squad, drugs, vice and homicide units, police prosecutions and commander of the public order unit.

Deputy Weatherill also has executive training from the Rotman School of Management and the F.B.I Academy in Quantico, Virginia.

Deputy Chief Bruce E. Carlson retired after 34 years of dedicated service

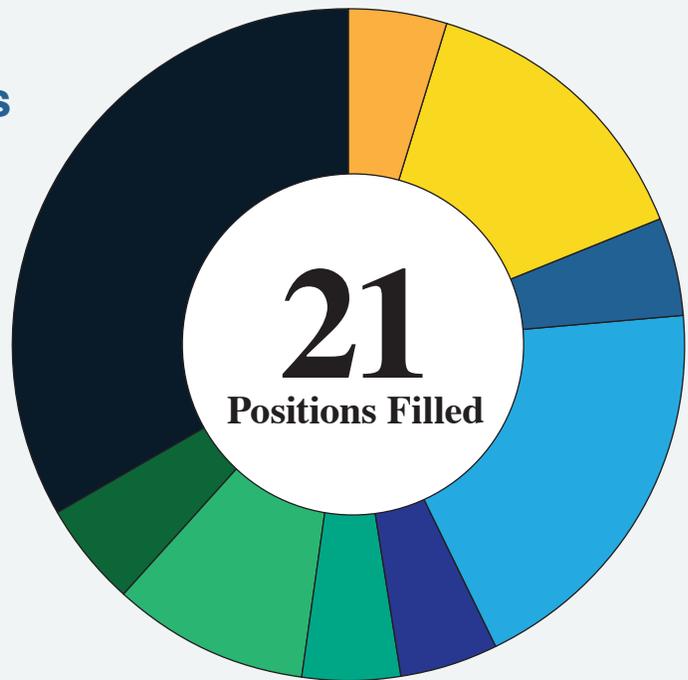

Deputy Carlson began his career with the Barrie Police Service as an Auxiliary in 1982, was sworn in as a Police Constable in May of 1983, progressed through the ranks and was appointed Deputy Chief in September of 2010.

Chief Kimberley Greenwood stated that, "Deputy Carlson has had a distinguished career with the Barrie Police Service, is a man of great integrity and a leader in the policing industry, contributing greatly to the safety and security of our community."

Members of the Barrie Police Service and the Police Services Board wish Deputy Carlson much happiness and enjoyment in his well-deserved retirement.

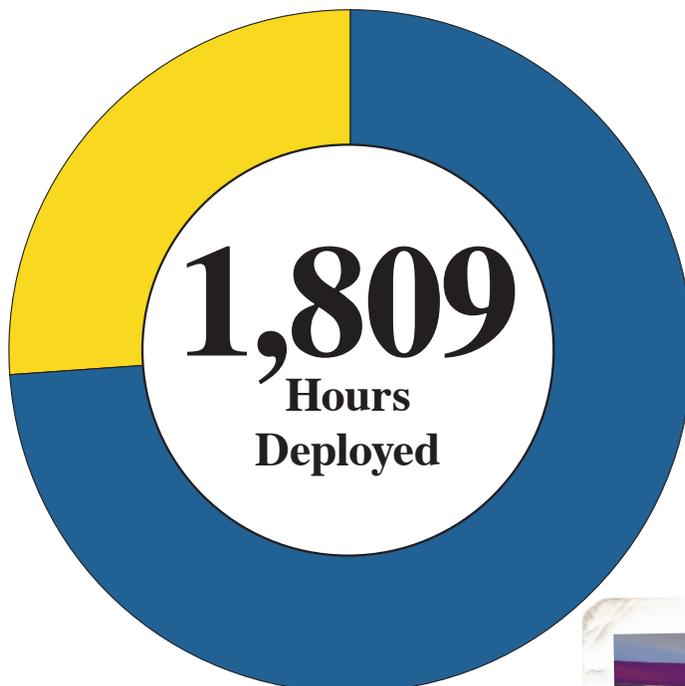

Human Resources Highlights

- 1 Deputy Chief of Police
- 1 Records Clerk Class 3
- 1 Information Technology Manager
- 1 Technical Data Recovery Examiner
- 1 Records, Full Time Contract
- 2 Cadets
