Mission Statement

“Barrie Police Service in partnership with our community is committed to serve the needs of the citizens of Barrie by providing an efficient and effective level of service through crime prevention and protection programs”

Purpose

This program is designed to provide an opportunity for approved individuals to participate in the observation and reporting of any criminal or potentially criminal activity to Barrie Police Service. These volunteers become the ‘eyes and ears’ for Barrie Police while on patrol.

This program does not promote, require or ask for any involvement of members in the apprehension of criminals. The purpose is solely to observe and report – to be the ‘eyes and ears’ for Barrie Police Service.

Definition of a Volunteer

A volunteer is anyone who, without compensation or expectation of compensation, performs a task at the direction of and on behalf of Barrie Police Service’s Volunteer Program- ‘Citizens on Patrol.’

Volunteer Participation

Volunteers, in liaison with Barrie Police Service, operate the COP program. Volunteers are vital to its success and provide patrols with the utmost priority placed on safety. The program is currently operating with a civilian patrol coordinator and a police liaison.

The civilian patrol coordinator works with the Police Liaison Officer on matters dealing with the program. Other duties include organizing meetings and promoting the program. The civilian coordinator has a list of COP members and organizes the weekly patrols. Members phone the coordinator to register themselves in for a night or day patrol. Both coordinators then communicate to each other to determine if a volunteer will be able to go out for that particular patrol. Weather conditions as well as availability of members are what determine if a patrol will be on the road.

We ask each and every member to contact the coordinator to register for a patrol, rather than the coordinator calling you. Your coordinator will only call you if you haven’t met your commitment to the program and haven’t communicated to the coordinator any absence you may require.
