

**FULL TIME
JOB POSTING #2021 - 022**

**Information Technology Support Coordinator
Information Technology, Command**

SALARY RANGE: \$74,203 - \$85,784

START DATE: TBD

The Barrie Police Services Board is seeking qualified applicants for the position of a full time Information Technology Support Coordinator. The incumbent will design, build, and maintain network and server infrastructure within the Barrie Police Service. The Information Technology Support Coordinator will interact tactfully and professionally while resolving related issues for members of the Service.

Reports to: Supervisor, Information Technology

Principle Duties and Responsibilities

- Maintaining Information Technology infrastructure to support the efficient and secure delivery of Barrie Police services by ensuring network and server infrastructure is functioning optimally
- Designing and administrating of technology support infrastructure including Microsoft Active Directory, DNS, DHCP and other associated support services
- Preparing technical specifications and obtaining quotes from vendors for network equipment, servers, storage systems, specialized tools, etc.
- Researching and evaluating information technology products and equipment; recommending the acquisition of systems hardware and software
- Developing and testing overall system environments; ensuring the security posture meets Barrie Police Service requirements
- Accessing the requirements to identify system problems and suggest solutions as required
- Drafting, establishing, and implementing policies, procedures, and technologies to ensure a secure, stable, and efficient technology environment
- Maintaining system installation manuals and documentation
- Providing technical assistance and backup to other IT Unit members as required
- Providing after hours technical support on a rotational schedule including evenings, weekends, and statutory holidays

*Note: All activities are expected to be performed in a safe manner, in accordance with the *Occupational Health and Safety Act* and its Regulations, along with Corporate Safety policies, procedures and programs. In addition, all necessary personal protective equipment must be used and maintained in good condition.

The Barrie Police Service offers a competitive salary and excellent benefits. As a member of a growing and dynamic organization committed to the public safety of the community, the ideal candidate must possess:

Essential Qualifications

- Be at least 18 years of age
- Be a Canadian Citizen or hold Permanent Resident Status
- Possess a valid “G” Drivers Licence
- Be physically and mentally able to perform the duties of the position

Education:

- Ontario Secondary School Diploma (OSSD); or equivalent
- Three (3) year post-secondary diploma/degree in Computer Information Systems; or equivalent
- Formal Certification or demonstrated proficiency in:
 - Experience installing, configuring, and maintaining network equipment and server hardware
 - Familiarity with network protocols and design, firewall management, and operating system configuration
 - Good understanding of current technical trends and technologies including cloud computing, virtual computing, hyper converged infrastructure, and enterprise design and security practices

Desired Knowledge, Skills and Abilities

- Demonstrated ability to design and implement strategic technology plans to ensure network and server capacity meets existing and future requirements.
- Demonstrated analytical and problem-solving skills.
- Effective written and oral communication skills.
- Strong customer service skills required to anticipate, understand, and respond to the needs of internal and external clients, to meet or exceed their expectations in accordance with the Barrie Police Service Vision, Mission and Values.
- Demonstrated organizational and time management skills to work in a fast-paced environment, adjusting priorities to accommodate deadlines and peak period workloads that may extend beyond the normal workday as required.
- Ability to troubleshoot complex problems related to the operation of computer hardware or software.
- Ability to read and interpret policies and procedures.
- Advanced knowledge of Microsoft Office products including Word, Excel, PowerPoint, Access, and Visio.
- Demonstrated ability to work independently with minimal direction, and as an effective team member.
- Proven ability to interact diplomatically, tactfully, and confidentially with all levels of the Service and members of the public, establishing and maintaining effective working relationships.

Working Conditions

- The successful incumbent will work in a climate-controlled office environment using a keyboard and mouse for extended periods, with ability to move around.
- The incumbent must be able to maintain a high level of concentration for extended periods.
- Travel between Barrie Police Service locations will be required.
- Some work may be conducted in confined, dirty environments. (e.g. vehicle service garage)
- Occasional exposure to outdoor weather conditions.
- The incumbent may be exposure to high noise level when working and/or supervising others in the server room.
- The successful incumbent should be able to lift up to 50 lbs.

How to Apply

Posting Date: November 19, 2021
